In light of the nature of the offense and defendant's personal history, I adopt the special conditions proposed in the presentence report. Neither party has raised any objections to the proposals.

The defendant shall receive credit for all payments previously made toward any criminal monetary penalties imposed.

In the event of a civil settlement between victim and defendant, defendant must provide evidence of such payments or settlement to the Court, U.S. Probation office, and U.S. Attorney's office so that defendant's account can be credited.
